

**Saturday Netball**

Another successful Netball season has come to a close. Thank you to our staff who work so hard to make sure it all comes together and coordinate the teams over the season. Thank you to our parents who volunteer their time and support Netball at the school. The school fielded more teams than ever this year. They continue Royal Road School's proud history at the Wider West Netball Centre.

**Afterschool Care Closing**

The YMCA has provided after school care for the school this year. The service has been popular with the families that use it. Unfortunately, the numbers have not been high enough over all. Because of this the YMCA has made the decision to cease offering this service from Friday 27 September, the end of term 3. I would like to thank the YMCA for offering after school care at the school. I hope it will be viable for them to do so in the future. The YMCA will do another interest survey in six months to gauge new interest in after school care.
