Celebrating Culture Fortnight

We are one week into our Celebrating Culture fortnight and there have already been lots of wonderful activities happening both in and out of the class. Next week the activities will continue.

On Wednesday 21st August, classes will be making a cultural dish together.

On Thursday 22nd August, we will be giving children the opportunity to come to school in their cultural attire. There will be a fashion show at lunchtime to celebrate.

There will be an invitation to parents to come to school in the afternoon to see a fashion show and students work displayed in the hall. Please look for further details next week.

Thank you to the staff for all their extra work to make this happen, to our students for participating enthusiastically, and to you for your support.

Playground Maintenance

Some of the play equipment on our playground is currently being repaired. All the gear is much loved and we look forward to getting another number of years of excellent use.

Important notice for Year 1-4 students and caregivers

This term our Year 1-4 teachers will be attending Professional Development for Structured Literacy. This is an all-day course, which means that we will need relievers for several classes. Due to a shortage of relievers we may not be able to cover all classrooms. This means

that we will have to close classes and split children across other classrooms. There may also be a possibility we will request that if you're able to, that you keep your child home for that day. We will let you know as soon as possible. The three dates for the professional development are:

Friday 6th September
Thursday 26th September
