

Inaugural Kahui Ako Chess Tournament

Royal Road School hosted a chess tournament for the local Massey schools. Thank you to our students for being such great sports and representing our school with pride. Thank you also to our staff members for all their work in organising and running the days. We are looking to make this an annual event.

Parking in Bonny Crescent

Bonny Crescent is the main pick up and drop off point that parents use before and after school. It is a narrow road. In the afternoon it can become particularly congested especially if it is a wet day. If you use this road thank you for being considerate and patient with other drivers and being careful around the children.

If practical it would be helpful if you parked further away and had your children walk to meet you, or walk to and from home to school. This would help lessen the congestion.

If you do use the road, please do not park over or in driveways on Bonny Crescent. We want to be considerate towards our neighbours.
