New ERO report on Royal Road School

I am pleased to tell you that ERO (Education Review office) has completed a new Evaluation Report for Royal Road School. It is our pleasure to share the report with you. You can go to ero.govt.nz and type in Royal Road School or follow the link from the school website to read the report.

ERO has not visited the school since 2017 so it was a pleasure to be part of the Te Ara Huarau approach where ERO works alongside the school.

We are proud of this report. There is a lot to celebrate. We want to continue the momentum into the future.

Thank you to the students, staff, parents and board members for the important part you all play in the life of the school.

A Busy School

There have been so many wonderful events taking place at Royal Road School this term. Our cultural celebration fortnight has been completed and was full of events where children could celebrate their own and other cultures. Class cooking and the fashion show were just two of many highlights.

The school talent quest took place this week. It was wonderful to see children sharing their talents in front of an appreciative and supportive audience.

Also this week the school hosted the Kahui interschool Speech Competition. Our school winners represented the school well with impressive performances.

In a couple of weeks, the school will be hosting the inaugural Kahui interschool chess tournament.

All of this is happening amongst excellent learning and all the other wider school and sports activities that are taking place as part of the school term. Thank you to staff for all your hard work and thank you to our students for their enthusiastic participation.
